**Notice**

**'Restricted entry of automobiles in the University Premise'**

Due to limited parking space and the need to maintain a clean environment, it has been decided to restrict the entry of automobiles into the university premises. This decision is also aimed at reducing pollution and promoting sustainable practices.

We urge all members of the university community to cooperate with this initiative and consider alternative modes of transportation such as walking, car pool, battery operated vehicles or using cab taxis.

Your cooperation in this matter is greatly appreciated.

  
J. Director
