

Activity 3

Title of the project	Children's Day celebration, 'Awareness on child rights' program and books distribution in Saur village
Department name	Kumaun university, Nainital
Date of event	14-11-2022
Name of organisers/ contributor	Unnat Bharat Abhiyan

Overview: Events have been done in Saur village.

1. Book Distribution: The village encourages literacy and education by giving books to school children. The books distributed were of cultural and historical benefit.
2. Lectures on Educational Awareness in Schools: To increase student awareness, educational lectures are given in schools on subjects like environmental conservation
3. School Children's Cultural Programs: Students get an opportunity to demonstrate their abilities and celebrate cultural variety through talent programs that feature dance, singing, and other artistic talents.
4. Plantation Drive: Many native and ornamental species seedlings like surai, morpankhi, Cheura, tejpatta etc., were provided to community members.

Purpose:

Distribution of some important books and study materials to school children took place in the village of Saur. The village hopes to encourage close community ties, empower kids and women, and promote literacy. In addition, these lectures help in encouraging a culture of kumauni knowledge and habits. UBA programs in the village of Saur helps to promote a healthy and clean environment for the students and community members. The lectures also provide a sense of responsibility towards the environment and forests adjoining the village. By

distributing native plant species seedlings, it helps promote the native knowledge of the region and also helps beautify the village surroundings.

Event detail

Conclusion: The distribution of books and study materials in Saur is a critical step in promoting community development and empowering education. The village shows its dedication to advancing literacy, empowering students, and guaranteeing equal access to educational opportunities for all children by offering these crucial tools. This program fosters the youth's intellectual development and academic achievement while simultaneously fortifying communal ties and igniting a sense of group advancement. Saur is paving the road for a better future where every child has the chance to flourish and make a good contribution to the community by continuing to invest in education.
